Dear Mr Evans

Re: 2021-2022 PRECEPT

At the Parish Council meeting held on 15 January 2020, it was agreed to set the Parish Council's Precept at **£234,278.70**. Using the Council Tax tax-base approved for Binfield of 4,393, this will mean that Binfield Parish Council's share of Council Tax for 2021/22 will become £53.33 for each Band D property.

As this is over £100,000.00 please note the following additional information:

Expenditure Breakdown:

	2020/21	2021/22
Recreation & Tourism	£43,674.09	29,255.33
Environmental Health	£6,000.00	38,045.15
Other Services	£192,375.11	192,978.22
Total	£242,049.20	£260,278.70
Precept	£223,458.50	£234,278.70

The Council budgeted £16,000.00 for income. The precept request was reduced by £10,000 by taking into account £10,000 savings made during 2020/21.

Binfield Parish Council kept the precept for each household with no change from last year.

Yours sincerely

Amanda Sculley
Responsible Financial Officer
